Communist Greetings for the Dates and the Month of Red October

Communist Party of Peru

October 2017[1]

As has already been seen in the reactionary media, their agents have been ambushed in joint operations of the henchmen of the DINCOTE, ARMED FORCES, AND REPRESSIVE FORCES of the PNP[2] OF THE ZONE against the fighters of the EPL[3] and the PCP, comes to light of an agent killed and was a member of the elite forces of the PNP of the DINOES in Huanta in the VRAEM area, on Sunday, October 8 and, on October 9, of another who allegedly had a heart attack, as part of their joint operations, which is hidden by the newspapers *Correo*, *Exitosa*, *La República* and the Facebook page Tiempo26.com, affirms and recognizes such actions of the combatants in the VRAEM and even La República mentions the escalation of actions of the EPL from June to September, but does not recognize the last one, only the casualty of a policeman in an operation in search of Shining Pathists due to the events of blows in Huancavelica, They affirm and deny at the same time, but as they are paid and oriented by intelligence, they say what they are told or what suits their interests, imputing the armed actions of the PCP as subversive remnants or narco-terrorists who move to protect and take out drugs, etc.

They cannot silence or hide the blatant actions of the EPL throughout the Main Regional and part of the VRAEM, which are part of the plans of the PCP and the General Reorganization of the Party, also as part of one of the Campaign for the Defense of the Life and Health of Chairman Gonzalo and his Almighty Thought, of the different party celebrations and as the recognition of the 100 YEARS OF THE TRIUMPH OF THE GREAT OCTOBER SOCIALIST REVOLUTION IN RUSSIA LEAD BY THE GREAT LENIN.

All the aforementioned, today that the Great Leadership of the PCP is under attack, its prestige of the GREAT TEACHER OF COMMUNISTS and the guarantee of triumph towards the Communism of Chairman Gonzalo, which is based on his Thought and the First CONGRESS of the PCP has established and sanctioned it and nobody can stain or throw mud on the steel as the traitors and capitulators of ROL[4]
