Proletarians of all countries, unite!

LONG LIVE CHAIRMAN GONZALO AND HIS ALL-POWERFUL THOUGHT!

Central Committee
Communist Party of Peru

1994[1]

Specifications on Chairman Gonzalo, the General Political Line and the Contributions to the World Revolution:

"Without Marxism-Leninism-Maoism, Gonzalo Thought cannot be conceived, because the latter is the creative application of the former to our reality. The key question on this point lies in the understanding of the historical process of the development of the proletarian ideology, of its three stages shaped in Marxism-Leninism-Maoism and with Maoism as principal; and, principally, it is the application of Marxism-Leninism-Maoism as a universal truth to the concrete conditions of the Peruvian Revolution; hence Gonzalo Thought is specifically principal for the Communist Party of Peru and the revolution it leads".[2]

"The most substantive and developed part of Gonzalo Thought is found in the Party's general political line; this thought directly sustains, therefore, the line and its five elements, with the point of departure being how it understands and maintains the Program firmly on course".[3]

"To study, and principally to apply, Gonzalo Thought is decisive in order to better serve the Party, the development of the People's War and the World Revolution. Likewise, to learn from Chairman Gonzalo is decisive in order to wholeheartedly serve the people".[4]

First Congress of the Communist Party of Peru
